Dear Ham:

STAT Many thanks for your letter of 28 February with regard to [redacted]. Of course I have the highest respect for him personally and from the professional viewpoint. I have passed on to one or two of our people the statement about him enclosed with your letter, and greatly appreciate your having brought this to my attention.

I am also reading the report of your recent trip, which we received from the Senate and also with your good letter of February 19. I look forward to seeing you in New York on the 11th, and may have a chance to talk with you about it at that time.

Sincerely,
